

PUPIL PREMIUM GRANT

Policy Statement and Budget

Additional funding has been provided to schools since April 2011. It is allocated to pupils from low income families who are eligible for free school meals and children who have been adopted from care. Pupil premium was extended in 2012-13 to pupils who have been eligible for FSM at any point in the last 6 years (known as Ever6). A smaller amount is also received by schools for children of service personnel. The category of FSM / CLA pupils has now been re-classified as 'disadvantaged'.

Provision at Salway Ash CE VA Primary School

We aim to provide holistic support for our pupils in receipt of Pupil Premium funding to ensure they can develop to their educational, personal and social potential whilst at Salway Ash.

When making decisions on how best to spend this money, the Headteacher and governors have considered the research available on the subject most specifically that from the Sutton Trust and the specific needs of our Pupil Premium children.

A Summary of the main barriers to educational achievement faced by the Pupil Premium children at our school:

- Lack of access to finances which would allow pupils to experience the full range of enrichment opportunities on offer.
- Lack of access to finances which would allow pupils to pursue particular strengths or interests.
- Poor Speech and language skills.
- Poor communication skills.
- Emotional problems and concerns.
- Time with an adult on a 1:1 basis in order to read or complete homework tasks or a suitable quiet place to work at home.
- Entering the school system with poor skills and/or poor physical and emotional development resulting in an academic 'gap' which has to be closed.
- Lack of aspiration and high expectations.
- Lack of self-confidence and self-esteem.
- Family 'personal' circumstances.
- Lockdown due to COVID-19
- Lack of internet connection at home
- Lack of electronic devices at home in order to complete remote home learning

The tables below show the amount of funding the school has received and how we intend to spend the funding this academic year in order to address these barriers.

How we will measure the impact of the pupil premium spend in 2020-2021

- The progress of pupils in reading, writing and maths
- The percentage of pupils attaining the expected and higher level standards in reading, writing and maths.
- The increase of pupils participating in a range of enrichment activities and clubs.
- Whether there has been an increase in the confidence of pupils in order to volunteer for a high proportion of the opportunities on offer in school during and out of curriculum time.
- The increase of pupils representing the school on sports teams and in other school events.
- The percentage of pupils taking on leadership roles
- Results of wellbeing questionnaires over the year.

- Attendance figures (Taking in to account absence due to COVID related reasons)
- Reports from specialist teachers and out of school support agencies.
- SENSS reports
- Teacher reports
- Speech and language reports
- Music reports
