

School Development Plan 2024 - 2025

# Let our light shine as we achieve together

The School Development Plan has been designed to support the school's curriculum intention that all pupils at the school become:

- Successful learners, who enjoy learning, make progress and achieve.
- Confident individuals who are able to live safe, healthy and fulfilling lives.
- Responsible citizens who make a positive contribution to society.

# **School Development Plan Priorities 2024-2025**

| Target 1 | Develop problem-solving in maths through real life applications                           |
|----------|---|
| Target 2 | To develop spirituality across the curriculum   |
| Target 3 | To enhance teaching and learning in the EYFS  |
| Target 4 | Refine curriculum content in foundation subjects to ensure important knowledge is secured |

# School Development Plan 2024-2025

### Key Issue 1

### To develop problem-solving in maths through real life applications

Rationale: Assessment analysis shows that pupils' understanding of arithmetic is stronger than reasoning and this will support pupils to be able to apply their understanding of a range of different mathematical concepts and reasoning scenarios. This priority will support previous work on improving oracy in maths.

#### Success criteria:

- QLA will be used to refine teaching to ensure gaps in knowledge are identified and closed.
- Pupils will be able to talk about their learning in maths with confidence and use mathematical vocabulary accurately across a range of applications.
- All groups of pupils, especially pupil premium and SEND will make good progress in maths.
- Key knowledge will be embedded.

# School Development Plan 2024-2025

# Key Issue 2

# To develop spirituality across the curriculum

Rationale: In readiness for an anticipated SIAMS inspection in 2025/26, the spiritual development of pupils and opportunities to recognise spirituality across the curriculum will be celebrated.

#### Success criteria:

- Shared language and approach to spirituality amongst staff and pupils evident.
- Opportunities for spirituality identified and celebrated across the curriculum and through enrichment activities.
- All groups of pupils, especially pupil premium& those with SEND will make good progress.

# School Development Plan 2024-2025

# Key Issue 3

# To enhance teaching and learning in the EYFS

Rationale: Following three successive years of teaching staff changes, including attainment at the end of EYFS being below Dorset average, the school now has an opportunity to re-evaluate teaching and learning in EYFS to ensure that it reflects best-practice and is rooted in an evidence-based approach.

### **Success Criteria**

- Assessment of pupils on entry and at the end of each term is consistent, accurate and benchmarked against pre-agreed criteria and with local schools.
- Evidence-based approaches to teaching and learning which reflect outstanding practice are researched and applied where appropriate.
- Pupil attainment at the end of EYFS will at least be in line with national averages

# School Development Plan 2024-2025

# Key Issue 4

# Refine curriculum content in foundation subjects to ensure important knowledge is secured

Rationale: The area of development identified through the Ofsted inspection (2023/4) is to ensure key knowledge in foundation subjects is identified and secure.

Success criteria:

- Subject leaders ensure curriculum plans are followed to ensure the breadth of knowledge and skills are taught over the two-year rolling cycle
- Pupils are able to know and remember key concepts and knowledge
- Pupils progress in foundation subjects is accurately assessed

| Actions   | Key<br>Personnel         | Monitoring         | Timescale   | Resources              | Outcomes                     |  |  |
